Republican County Convention--- Proposed

A Republican County Convention for the nomination of Sheriff, Auditor, Judge of Court of Common Pleas, Recorder, and Commissioner, will be held at the places of holding the elections, on Thursday, Sept. 23, in all the townships except Brooklyn and Solon at 5 o'clock two years. Mr. B.'s age was 70.—Samuel P. M., and in Brooklyn and the Wards of the G. McCleary, an old and much esteemed citi-City of Clereland at half past 7 P. M., and in zeu of Girard, Pa., died very suddenly last Solon at 2 P. M.

The importance of the offices to be filled should call out a full attendance of the Repubcan voters at the primary meetings, and secure the appointment of sagacious, independent, unpledged Delegates, who will come up to the Convention and fully and faithfully represent the mishes of the Republican voters of their the wishes of the Republican voters of their respective Townships and Wards by putting good and competent men in nomination, without regard to cliques of scheming politicians who would parcel out the offices in advance, or the combinations of selfish candidates to help forty very Dr. Com., ded on the 18th, aged 76 years. For forty very Dr. C. kent a drug store in Hartford, each other into fat places, whether they exist in the city or the country. Such a course would go far towards putting an end to inordinate office hankering and unscrupulous office huxtering, would aid in restoring the days of hongest patriculum when offices and the country of his age. He was on Sunday, in the 93d year of his age. He was

Another matter of importance will be sub-children shall be apportioned upon the Republican vote His compass is invaluable to Surveyors .ships have been generous in not only conceding a full share of the candidates to Cleveland, but in relling up the majorities by which they have been described. Since the organization of the table of the table of the properties of the same of the full three of the last Constitutional Convention of Michigan.—John Lewis, a veteran teacher, died at Frankfort, Ky., on the 15th, 1555 we the common of the summer of the series of been elected. Since the organization of the aged 75. He was the author of a novel of conRepublican party, the average of more than a si crable interest, entitled "A Tale of the Great thousand majority in Cuyahoga county has in Kanawha."—The Hon. Thomas Burch died planted that season died, while those that suralmost every instance been given by the reliable at Little Falls, N. Y., on the 16th, aged 59.— planted that season died, while those that survoters of the Townships. Unless they seek it, no change by which their influence in the selection of candidates will be lessened, should be made. So long at least as the Townships furnish the majorities, the City should be liberal in giving them a good majority voice in Conventions. A spirit of fraternity between city and country should be cultivated, and no proposition should be passed, however fair abstractly con-

nate the vote to be made the basis of the proposition to be submitted. We will take that under which the late Congressional Convention was held, and see how the Townships and

nineteen Townships 46 delegates, and the eleven Wards of Cleveland 43. The majority of 48, so long enjoyed and never abused by the Townships, is reduced to 3 by this basis; and any other vote that may be adopted as the basis will greatly increase the power of numbers in the City delegation, as compared with the present rule. Will this be satisfactory to the Townships, conduce to harmony, strengthen party organization, and swell Republican majorities in

Dissect the above table for a moment. The strong and reliable Republican Townships of Euclid and Chagrie Falls have six delegatesthe First Ward, usually Democratic, seven .--East Cleveland and Brecksville, always strongly Republican have six-the steady Locofoco Third Ward weight them down in convention Third Ward weighs them down in convention and cited up to your city to be dealt with by State, during the past few years. We learn Republican Royalton and Rockport. It takes your Judges according to law and testimonyfour such noble Republican Townships as Brooklyn, Breeksville, Chagrin Falls, and Eu-

to the primary meetings, discussing the subject, and are bound to carry that determination out. It is wormer caterpinor is about an usual and adopting resolutions, and appointing backbone delegates, the propriety of the proposed change will be settled in Convention to the satisfaction will be settled in Convention to the satisfaction.

This wormer caterpinor is about an usual interest which is been formed, and is composed of men of the common orchard caterpillar, and differs which is been formed and are bound to carry that determination out. This wormer caterpinor is about an usual interest which is a being smoother, and having but ten allowed to carry that determination out. This wormer caterpinor is about an usual interest which is a composed of men of the proposed change will be settled in Convention to the satisfaction. to the primary meetings, discussing the subject, and are bound to carry that determination out, of the great mass of the Republican electors in town and country, who vote upon principle, and have no other end to subserve but the common weal of the County, the State, and the Repub-

New Rifle Cannon.

Small arms have been so perfected that killing has become as easy as shooting, and inventors who have a taste for making war as an nihilating as possible have turned their attention to improvement of field and fort thunder ers. A series of experiments recently made with the new rifle cannon of Sylvanus Sawyer, of Fitchburg, Mass., under the direction of the Ordnance Department, has demonstrated a precision and execution that establish a new era in gunnery. At the distance of a mile the body of an ordinary tree would not be missed

The importance of the offices to be filled died at Xenia on the 15th, aged 60 years. Dr. tering, would aid in restoring the days of honest patriotism when offices were neither sought nor declined by men qualified to fill them, and would do much to give greater efficiency to the Convention system and the Republican organization of Coyahoga county.

Another matter of importance will be subshibited as the oldest living graduate of Yale oldege, and among his surviving children is the wife of Prof. Silliman, Sr.—Mrs. Ashmore, wife of the Rev. Wm. Ashmore, of the Siam Mission, died on the 19th of May, while on her way to this country from Hong Kong with her two children.—William A. Burt, widely known as the inventor of "Burt's Solar Compass," Another metter of importance will be sub-mitted to the action of the Convention—the propriety of so changing the basis of delegation to future County Conventions, that delegates to future County Conventions, that delegates 1823, and was a most estimable citizen—the in the various Townships and Wards. The propriety may well be questioned. The basis of six delegates to each Township and Ward has been jested for some years. Derive that of six delegates to each Township and Ward has been tested for some years. During that time the City delegation has been much increased by the creation of new Wards, while the Townships have remained stationary. The basis now gives the City 66, and the Townships 114 delegates. Considering the advantage of compactness, concert, and political influence, the City has little or no cause to complain. It is the political centre, and for a series of years has had most of the nominations. The Townships have been generous in not only conceding

sidered, that is calculated in practical operation Anti-Lecompton. The Opposition Candidates mer many of the trees in most orchards gave to impair confidence, excite jealousy, and alienate voters. persons will practice it. Plenty of poultry kept

There was a fair crop of fruit in 1857 in most parts of the State, notwithstanding the injuand large quantities, both green and dried, were exported. The statistics of this trade contained the Report are meagre. Lake county exported about \$25,000 worth of green and dried apples. Portage county exported many hundreds of barrels of apples, and not less than 125 Medina—it. I. Greening, Seek-no further, an lat an average price of 64 cents per pound. tons of dried apples were purchased in Raven-From Summit large quantities of both green and dry were exported; 3,000 barrels of green apples shipped west. Gesuga, Huren, Erie, Richland, Wayne, and a number of other counties exported largely, both green and dry. The opening of railroads has given quite a stimulus to orchard planting in many interior counties, by opening new markets for fruits.

Ex-PRESIDENT TYLES -A letter from Old

Point, Va , says : Ex-President Tyler, having purchased a farm nly two miles from the hotel, spends most of his time here in social communication with the guests, all of whom express for him the highest consideration. The old gentleman eschews pol-itics, and devotes his attention to agriculture, not scientifically, but according to the old Virand letting the next take care of itself. His family attend religious worship at the chapel within the fort, where Mrs. Tyler has her own pew. John Tyler is now in his 69th year, but looks as young as when he occupied the Presi-dential chair, and is quite as jocular and full of fun. He expresses the greatest confidence in in posterity doing his administration justice, and says that time and reflection but satisfies him the more with every act of his official life, not one of which would be now change had be the power.

REPUBLICAN COUNTY CONVENTION. September 4th 1858.

A Republican County Conversor for the monimation of Sher II, Au iter, Judge of the Court of Common Pices, Be-conder, and Common timer, and for the appointment of a Central Committee, will be held at the old Court H user, in and, on Saturday, September 4th, 1839, at half post-10

Each township and ward will be entitled to viz Dele gains in the Convention, and primary meetings for their election will be held at the places of indiring elections, on Thorsday, Sestember 2d, in all the two sensings accept Brooklyn, and Solomat 5 o'clock P.
